

Title: Shiver

Author: Maggie Steifvater

Genre: Romance

Name of Reviewer: Lyndsey Sutherland

Plot summary (50 words):

Shiver is about a werewolf boy, Sam, and a normal girl, Grace, who fall in love with each other, but as the cold winter months approach, Sam struggles to stay warm enough to stay human for Grace. There is no cure for werewolves but when Sam changes, Grace desperately wants to find a cure so he can stay in his human form forever.

Why did you enjoy it?

I like *Twilight* and they are quite alike. The story was exciting!

Who was your favourite character? Why?

I liked Isabel. I liked how at first she seemed so sour and spoilt, but she actually turned out to be quite nice and one of Grace's friends.

Would you read another book by the same author? Why?

Yes! There are two other books in the series, *Linger*, and *Forever*, so I want to read them because Shiver ended on a bit of a cliffhanger.

Would you recommend your book to a friend?

Definitely!

Rating: How many "books" out of 5 would you give it?
