Why did you enjoy it?

I enjoyed this book because it has the right balance of blood and gore for me and it was very exciting and terrifying the whole way through the book... great book.

Who was your favourite character? Why?

My favourite character was Ed because at the start of the book he was a very gentle, scared person and towards the end he was getting so brave. Plus, he is a great character that has brought life to the book!

Would you read another book by the same author? Why?

Yes, I would read another book by Charlie Higson because most of his books are in a series; however that is not the only reason, I like books that are gory and Charlie writes books perfect for me... lots of gore.

Would you recommend your book to a friend?
